Originally begun in 1999, **Abbe Benjamin Press (ABP)** continues the writing and publishing arm of K. S. (King Solomon) Industries. KSI's foundation is *Messianic* discipleship, training, and educational resources. For KSI, "Messianic" means:  
*Do What Jesus Did!*  
 Its purpose is to point the House of Israel and the House of Judah in a direction consistent with the Word of God.

*ABP Vision:*

To create & provide:

- **Theological Tools**  
⇒ *TheologySense*  
⇒ *Ancestry Meets Theology*™
- **Educational Tools**
- *Direction Through Godly Counsel (DTGC)*

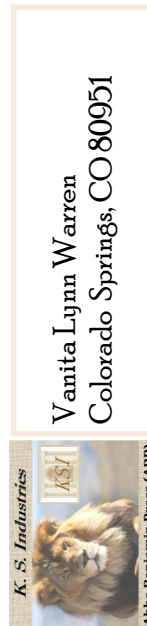

Resources that provide the *House of Israel* and the *House of Judah* direction in finding God's purpose and vision for their lives.

*ABP Mission:*

To imitate Messiah Yeshua!
